**Company Principals:**

Lonnie Harmon - Co-Founder and Managing Partner

Bill Sherman - Co-Founder and Managing Partner

**Executive Bio's**

*Mr. Harmon* co-founded Intulogy and serves as a Managing Partner. Mr. Harmon has over 25 years in business management and training, including 19 years with McDonnell Douglas, overseeing the business operations of the Aircrew and Maintenance Training Department during the formative years of the instructional design discipline. He also worked for over 2 years with Usertech (a systems training subsidiary of Ceridian), first in management and advancing to Vice President of Operations. Mr. Harmon holds a bachelor's degree in Business/Marketing and a Masters of Business Administration from Southern Illinois University.

*Mr. Sherman* co-founded Intulogy and serves as a Managing Partner. Mr. Sherman serves as a strategic advisor to clients, bringing to bear his years of experience as Vice-President of Marketing, and then Vice-President of Operations, of Intulogy. He specializes in diagnostics and analysis, in projects ranging from needs analysis studies for the state of Alaska, curriculum mapping initiatives for Fluor, to retail sales diagnostics for a vehicle manufacturer. Mr. Sherman holds a bachelor's degree in English/Theater from St. John's University and a master's in Drama from Washington University.
